

PROTECTING OUR PROGRESS

The Evening for Progress is the premier fundraising event for BCA's political action committee, ProgressPAC. This important component of the **Protecting our Progress campaign** provides the resources needed to support strong leadership and participation in the election process. By engaging in this process, the business community can help protect the significant progress that has been made in establishing a favorable business climate in Alabama that creates and sustains jobs. We hope you will support this key event through one of the sponsorship opportunities available.
