BCA'S PROGRESSPAC ENDORSEMENTS 2026

ProgressPAC is the Business Council of Alabama's political action committee. The funds raised by the special donations to ProgressPAC go to help elect Pro-Business Candidates. Legislative success happens when the right people are elected, and that's what our political action is all about – electing candidates who understand the issues and are not afraid to step up and lead Alabama in the right direction.

ProgressPAC's mission is to support pro-business leaders who will advance policies that drive economic growth and create long-term opportunities for Alabama's workforce and communities. Our Board carefully evaluates each candidate based on their proven record and vision for the future. We endorse those who demonstrate a strong commitment to fostering a competitive business climate, supporting policies that encourage investment and job creation, and serving as effective advocates for Alabama's continued economic growth.

With that in mind, the following candidates have earned ProgressPAC's endorsement for the 2026 election cycle in Alabama's statewide elections. Please go to www.bcatoday.org to find the entire list of all of our endorsed.
